

Diabetes Care Pre-Submission Checklist

Please refer to this checklist to make sure your manuscript meets the specifications and requirements to be considered for publication in *Diabetes Care*. More detailed information can be found in the journal's instructions for authors at <https://diabetesjournals.org/care/pages/instructions-for-authors>. Thank you for submitting your manuscript to *Diabetes Care*.

FORMS AND REQUIREMENTS

- | | |
|---|---|
| ☐ Manuscript Submission Form | ☐ Reporting Requirements
See MAIN TEXT below for "Reporting Standards and Guidelines" |
| ☐ Conflict of Interest Form | ☐ Article-Processing and Open Access Fees
See Financial Obligations for Accepted Manuscripts |
-

TITLE PAGE

- | | |
|--|---|
| ☒ Title
Descriptive, concise, with nonstandard abbreviations spelled out | ☒ Affiliations
Department, division, institution, city, and state and/or country for each author |
| ☒ Short Running Title
≤47 characters and spaces | ☒ Corresponding Author
Name and email address |
| ☒ Author List
First name, middle initial, last name | ☐ Twitter Summary
<280 characters, consider including related Twitter handles, suggested hashtags, and suggested image with alt text/caption |
-

ABSTRACT

- | | |
|---|--|
| ☐ Article Highlights
Required for original research, 3–4 bulleted points that summarize the findings and significance of the research, placed before the abstract, <100 words, written in complete sentences | ☒ Word Limits
<250 words for Original Articles and <150 words for Brief Reports, written in complete sentences |
| ☒ Abstract Structure
Objective, Research Design and Methods, Results, Conclusions | ☒ Graphical Abstract
Required for original research, a visual summary of the article, uploaded to the website individually and clearly labeled. 500 by 200 pixels, 300 dpi min. resolution; read more at Graphical Abstracts |
-

MAIN TEXT

- | | |
|---|---|
| ☒ Word Limits
<4,000 words for Original Articles and <1,500 words for Brief Reports | ☒ Language
English; inclusive, respectful, and person-centered language |
| ☒ Format
Double-spaced; Arial or Times New Roman 12-point font; saved as a .doc, .txt, or .rtf file; one-inch margins | ☒ Structure
Introduction (no heading), Research Design and Methods, Results, Conclusions, Acknowledgments, References, tables, and figure and/or video legends |
| ☐ Human Experiments
Institutional review board or ethics committee approval statement (Declaration of Helsinki) appears in the Research Design and Methods section | ☐ Data Availability Statement
Appears under the heading "Data and Resource Availability" at the end of the "Research Design and Methods" section; see policy at Data and Resource Availability Statement |

MAIN TEXT, CONT.

Reporting Standards and Guidelines (where applicable):

- | | |
|--|---|
| ☐ Research on human populations | https://diabetesjournals.org/care/pages/instructions-for-authors#reporting |
| ☐ Race and ethnicity | AMA Manual of Style section 11.12.3 |
| ☐ Sex and gender | “Sex and Gender Equity in Research” (SAGER) guidelines |
| ☐ Clinical trials registration | clinicaltrials.gov ; World Health Organization International Clinical Trial Registry Platform |
| ☐ Randomized controlled trials | Consolidated Standards of Reporting Trials (CONSORT) Statement |
| ☐ Meta-analyses | Preferred Reporting Items for Systematic Reviews and Meta-Analyses (PRISMA) checklist |
| ☐ Systematic reviews | Registration in PROSPERO , Open Science Framework , or Research Registry + PRISMA checklist |
| ☐ Scoping reviews | Registration in Open Science Framework + PRISMA-Scr checklist |
| ☐ Observational studies | STROBE checklist |
| ☐ Mendelian randomization studies | STROBE-MR checklist |
| ☐ Genetic association studies | STREGA checklist |

See complete policies at [Reporting Standards and Guidelines](#)

ACKNOWLEDGMENTS

- | | |
|--|--|
| ☒ Personal Thanks (where applicable)
For technical assistance, advice, performance of special tests, and/or editorial assistance, includes each individual's full name and primary affiliation | ☐ Author Contributions
A list of contributions by each author, with authors listed by their initials; read more at Authorship and Contributions |
| ☐ Funding and Assistance
Financial support, including grant numbers where applicable, and provision of supplies OR a statement indicating no funding was received | ☐ Guarantor Statement
At least one author is identified as the "guarantor" of the study; read more at Data Access and Responsibility |
| ☐ Duality of Interest Disclosure
Relationships with for-profit entities, with authors listed by their initials OR a statement indicating no potential conflicts | ☐ Prior Presentation (where applicable)
Name and date of the meeting in which parts of the manuscript were presented AND/OR submission to a preprint server, including the URL and date of submission; read more at Originality and Prior Publication |

REFERENCES

- | | |
|--|--|
| <ul style="list-style-type: none">☒ Maximum Number
<40 for Original Articles and <20 for Brief Reports
☒ Cited in Text
Reference numbers should appear in numerical order in parentheses [e.g., "In the study by Sandoval et al. (23)..."]. | <ul style="list-style-type: none">☒ Format
Citation style example:
Sandoval DA, Alonso LC, Gannon M, Sander M, Sussel L, Reusch JEB. Career advancement for women in diabetes-related research: developing and retaining female talent. <i>Diabetes Care</i> 2021;44:1744–1747

-

FIGURES

- | | |
|---|---|
| <ul style="list-style-type: none">☒ Maximum Number
No more than a combination of 4 tables and figures for Original Articles and Brief Reports
☒ Cited in Text
Cited in numeric order (Fig. 1, Fig. 2, etc.)
☒ Legends
Figure legends are included in a section at the end of the manuscript labeled “Figure Legends” | <ul style="list-style-type: none">☐ Image Size and Font
At 100% size, fonts are 8–10 points and used consistently throughout all figures

1 column = 13 picas wide, 2.2 in, 5.6 cm
2 columns = 28 picas wide, 4.6 in, 11.7 cm
3 columns = 41 picas, 6.8 in, 17.3 cm
☐ Format
Digital Art Guidelines
☐ At Submission
Each figure is labeled and uploaded as a separate file in PDF, JPG, EPS, or TIFF format |
|---|---|
-

TABLES

- | | |
|---|---|
| <ul style="list-style-type: none">☒ Maximum Number
No more than a combination of 4 tables and figures for Original Articles and Brief Reports
☐ Design
Tables created in Word using the “Insert – Add a Table” function, with no hard returns
☒ Font
Arial or Times New Roman font, no smaller than 10 points; no shading or color. | <ul style="list-style-type: none">☒ Cited in Text
Cited in numeric order (Table 1, Table 2, etc.)
☒ Legends
inserted below the table; sequence of symbols, from top to bottom, left to right: *, †, ‡, §, , ¶, #, **, ††, ‡‡
☒ Location
After the references in the main document with a table number, a title, and a legend |
|---|---|
-

VIDEOS

- | | |
|--|---|
| <ul style="list-style-type: none">☐ Cited in Text
Each video is numbered (Video 1, Video 2, etc.), is cited in numeric order, and has a corresponding legend; legends appear in a section placed after the figure legends in the manuscript
☐ Format
Video Creation Guide
☐ Images
Each video includes a corresponding “still” image to appear in the PDF (optional); at submission each still image is uploaded as a separate file in PDF, JPG, EPS, or TIFF format | <ul style="list-style-type: none">☐ Supplementary Material
Videos intended for supplementary material are clearly labeled, e.g., Online Supplementary Video 1, cited in the text in numeric order
☐ At Submission
Each video is uploaded and labeled as a separate file; most video formats are acceptable |
|--|---|
